Apply Deep Learning AI to work with *untapt Codex.*

See how our world-class algorithms bring unprecedented clarity to your team's talent, using 5 years of research and expertise.

Find top candidates from your pipeline instantly.

In a head to head trial with a Fortune 500 Company's recruitment team, *untapt Codex* bested their traditional "Boolean" keyword candidate searches by a large margin:

12x
as many **high -quality candidates** found

100%
accurate candidate evaluation

Bring recruitment expertise to every hire.

untapt Codex and a team of international recruitment experts were asked to rank a list of resumes from best to worst as quickly as possible. Codex achieved:

100%
identical results with human experts

150,000x
faster than human experts
